I am a natural born member of the Sovereign American Posterity ("We, the People"), and the pro se litigant exercising my endowed **UNALIENABLE AUTOMATIC STANDING RIGHT**<sup>1</sup> to present my attached Petition (Sworn Affidavit) for a Redress of my Grievances (**Fundamental Law** containing no asterisks, terms, or conditions); thereby countermanding all entrenched JUDICIAL and Congressional rule-making, "lack of standing" and other doctrines, presumptions, prejudices, and repetition of YOUR previously demonstrated multiple Neglections of Duty (detailed in Petition Allegation 01); and thereby invoking your Sworn or delegated Obligation: (a) to register my Petition, (b) to distribute it to each of THIS COURT's presiding Judges, (c) to enforce "burden" of any subsequent distribution expectations upon the Defendants ("those who have imposed the restrictions"<sup>2</sup>), and (d) to expedite an unbiased "Due Process" Forum in consideration of THIS COURT's complicity (Petition Allegations 01, 07) in the Defendants' documented escalating Abuse of 22 years.

Sincerely,

*David P. Fontaine*
