### What you need to do immediately

#### Pay immediately

- **Send us the amount due of \$16,329.24 immediately. If you don't pay by November 24, 2021, we can seize (levy) funds from your social security account or, if applicable, from the social security account for which you are a beneficiary.**
  - If you can't pay the amount due, pay as much as you can now and make payment arrangements that allow you to pay off the rest over time. Visit [www.irs.gov/payments](http://www.irs.gov/payments) for more information about:
    - Installment and payment agreements — download required forms or save time and money by applying online if you qualify
    - Automatic deductions from your bank account
    - Payroll deductions
    - Credit card payments
- Or, call us at 800-829-3903 to discuss your options. We may determine you can't pay due to economic hardship and temporarily delay collection of your overdue taxes and the seizure of your Social Security benefits. Be prepared to discuss your monthly income and expenses with us.
- If you've already paid your balance in full or think we haven't credited a payment to your account, please send proof of that payment.
  - If you'd like to authorize someone to contact the IRS concerning this notice, please complete and send us a Power of Attorney and Declaration of Representative (Form 2848), before your representative contacts us on your behalf.

#### Low Income Taxpayer Clinics (LITC)

Tax professionals who are independent from the IRS may be able to help you. Low Income Taxpayer Clinics (LITCs) can represent low-income persons before the IRS or in court. LITCs can also help persons who speak English as a second language. Any services provided by an LITC must be for free or a small fee. To find an LITC near you:

- Go to [www.taxpayeradvocate.irs.gov/litcmap](http://www.taxpayeradvocate.irs.gov/litcmap);
- Download IRS Publication 4134, Low Income Taxpayer Clinic List available at [www.irs.gov/forms-pubs](http://www.irs.gov/forms-pubs); or
- Call the IRS toll-free at 800-829-3676 and ask for a copy of Publication 4134.

State bar associations, state or local societies of accountants or enrolled agents, or other nonprofit tax professional organizations may also be able to provide referrals.

#### If we don't hear from you

If you don't call us immediately or pay the amount due, we can seize (levy) funds from your social security account or, if applicable, from the social security account for which you are a beneficiary.

#### Your billing details

Tax period ending	Form number	Amount you owed	Additional interest	Additional penalty	Total
December 31, 2018	1040	\$15,586.84	\$207.62	\$534.78	\$16,329.24

#### Penalties

We are required by law to charge any applicable penalties.

##### Failure-to-pay

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time.

We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).

If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month. For individuals who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax. For a detailed computation of the penalty call 800-829-3903. (Internal Revenue Code Section 6651)

**Penalties — continued**

**Removal or reduction of penalties**

We understand that circumstances — such as serious illness or injury, a family member's death, or loss of financial records due to natural disaster — may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

---

**Removal of penalties due to erroneous written advice from the IRS**

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for written advice on a specific issue
- You gave us adequate and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS address shown above. For a copy of the form, go to [www.irs.gov](http://www.irs.gov) or call 800-TAX-FORM (800-829-3676).

---

**Interest charges**

We are required by law to charge interest when you don't pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

For a detailed calculation of your interest, call 800-829-3903.
