## Reminder: You still owe a balance due for tax year 2018

### Amount due: \$22,322.60

We're required to send you this annual reminder notice explaining the amount you still owe for your 2018 Form 1040 taxes. Your account will remain in non-collectable status until your financial situation changes.

#### What you need to do now

If we notified you that we suspended enforced collection on your account because it would create a financial hardship and your financial situation has not changed, you don't need to do anything.

**Pay in full as soon as you can to minimize additional charges.** Your debt will continue to increase because interest and penalties (as applicable) are charged until you pay the full amount.

- **Pay your balance online** by visiting [IRS.gov/Payments](https://www.irs.gov/Payments) on a computer or mobile device. It's fast, secure, and you'll receive instant confirmation of your payment. Pay directly from your bank account, credit or debit card, or digital wallet.
- **Pay by mail.** Make your check or money order payable to United States Treasury. Be sure to attach the payment stub included in this notice when you mail your check or money order.

**You can access your account information online with Online Account (OLA).** Visit [IRS.gov/Account](https://www.irs.gov/Account) to access your account online to view your amount owed, review your payment history, make a payment, get a transcript of your tax records, and view return information from your most recent tax year as originally filed.

#### Options if you can't pay in full

If you can't pay the full amount you owe, consider the following options:

##### Pay Over Time

Make arrangements to pay over an extended time. If you owe less than \$100,000, you can save time and money by visiting [IRS.gov/PaymentPlans](https://www.irs.gov/PaymentPlans) to apply for a payment plan. You can choose from a variety of plan options and get instant confirmation if you qualify.

##### Offer in Compromise (OIC)

An offer in compromise allows you to settle your tax debt for less than the full amount you owe. Use the OIC Pre-Qualifier tool at [IRS.gov/Offers](https://www.irs.gov/Offers) to see if you qualify, to calculate a preliminary offer amount, or to learn more about the program. Use of this tool does not guarantee offer acceptance.

##### Temporarily Delay Collection

If you're experiencing financial hardship, the IRS may temporarily delay collection until your situation improves. Visit [IRS.gov/Delay](https://www.irs.gov/Delay) to learn more.
