Reminder: You still owe a balance due for tax year 2013

Amount due: \$25,756.85

We're required to send you this annual reminder notice explaining the amount you still owe for your 2013 Form 1040-A taxes. Your account will remain in non-collectable status until your financial situation changes.

What you need to do now

If we notified you that we suspended enforced collection on your account because it would create a financial hardship and your financial situation has not changed, you don't need to do anything.

Pay in full as soon as you can to minimize additional charges. Your debt will continue to increase because interest and penalties (as applicable) are charged until you pay the full amount.

- **Pay your balance online** by visiting [IRS.gov/Payments](https://irs.gov/Payments) on a computer or mobile device. It's fast, secure, and you'll receive instant confirmation of your payment. Pay directly from your bank account, credit or debit card, or digital wallet.
- **Pay by mail.** Make your check or money order payable to United States Treasury. Be sure to attach the payment stub included in this notice when you mail your check or money order.

You can access your account information online with Online Account (OLA). Visit [IRS.gov/Account](https://irs.gov/Account) to access your account online to view your amount owed, review your payment history, make a payment, get a transcript of your tax records, and view return information from your most recent tax year as originally filed.

Options if you can't pay in full

If you can't pay the full amount you owe, consider the following options:

Pay Over Time

Make arrangements to pay over an extended time. If you owe less than \$100,000, you can save time and money by visiting [IRS.gov/PaymentPlans](https://irs.gov/PaymentPlans) to apply for a payment plan. You can choose from a variety of plan options and get instant confirmation if you qualify.

Offer in Compromise (OIC)

An offer in compromise allows you to settle your tax debt for less than the full amount you owe. Use the OIC Pre-Qualifier tool at [IRS.gov/Offers](https://irs.gov/Offers) to see if you qualify, to calculate a preliminary offer amount, or to learn more about the program. Use of this tool does not guarantee offer acceptance.

Temporarily Delay Collection

If you're experiencing financial hardship, the IRS may temporarily delay collection until your situation improves. Visit [IRS.gov/Delay](https://irs.gov/Delay) to learn more.
